

## **Anthem College Closing Update**

The closing of Anthem College has affected many student loan borrowers. Tuition Options is working diligently with Anthem, IEC and each state agency to confirm the loan account balance and status for each student.

IEC is currently calculating the amount due for your enrollment period with Anthem College. This information will be available to the state agency and Tuition Options by October 31, 2014. Upon receipt, loan balances will be confirmed and/or adjusted as necessary.

### **How is Tuition Options assisting me?**

- **If you were identified as actively enrolled by Anthem and attending a closed campus**, your Tuition Options account is **NOT** accruing interest or late fees while your loan balance is reviewed (see Anthem location list below).
- **If you were scheduled to begin classes at time of closing, your loan has been closed.** Account closures include accounts with the following criteria:
  - First Due Date of 9/1/14 or later
  - Class start date was July 2014 or later
  - This is your first loan and not a rewrite/secondary loan
  - There were no identified teach out options available for your location

### **What is my balance and should I continue to pay?**

- **If you are enrolled in a Teach Out**, please continue to pay on your loan.  
  
**If you have Transferred to a new school**, you *may* need to pay on your loan for the credits earned while enrolled at Anthem. Tuition Options will confirm your loan balance with Anthem by November 15, 2014.
- **If a Teach Out or Transfer does not apply and you are requesting a discharge of your Federal and private loans**, discharge paperwork must be submitted to your Federal Loan servicer. If a Federal loan discharge is granted, proof of discharge must be provided to Tuition Options and your account will be reviewed to determine if private loan forgiveness is an option.

Thank you for your continued patience. Should you have any questions during this account review process, please contact Tuition Options at 877-294-0888. Customer Service Representatives are available to assist you Monday – Friday 9:00 a.m. – 10:00 p.m. EST.
